

THE ULTIMATE ALTERNATIVE 80'S TRIBUTE & LIVE MUSIC EXPERIENCE

WWW.61CANDLESBAND.COM

Authentic Alternative 80's. Powered by Musicianship. Built for the Stage.

61 Candles delivers Southern California's authentic Alternative 80's live-band experience, bringing the sound, atmosphere and energy of the era to life with the credibility of musicians who were there when the music was happening.

Featuring members of the original Orange County multi-album alternative rock band **All The Madmen, established in 1988**, 61 Candles celebrates the groundbreaking **Alternative Rock, Goth, Post-Punk and New Wave** movement with passion, precision and authenticity.

Their dynamic live show features the music of **The Cure, Depeche Mode, Psychedelic Furs, The Smiths, New Order, Violent Femmes, David Bowie, INXS** and many more — from dark, atmospheric classics to high-energy alternative anthems.

With **over four hours of material**, 61 Candles delivers versatile performances for **clubs, festivals, concert series, corporate events and private productions**, connecting with audiences across generations.

Since forming in 2025, the band has built an organic following of **4,000+ fans**, headlined Southern California venues and shared bills with nationally recognized artists including **Missing Persons and Fitz & The Tantrums**.

No gimmicks. Just four seasoned musicians delivering a powerful, engaging live experience built on musical credibility, passion and undeniable chemistry.

For **talent buyers, booking agents and promoters**, 61 Candles offers a recognizable, highly marketable music concept backed by genuine musical credibility, a growing audience, exceptional versatility and a professional, engaging live performance suited to a wide range of venues and events.

For audiences, it's the opportunity to **reconnect with the music that shaped a generation** — and for new fans to discover why these songs remain as powerful, relevant and unforgettable today as they were when first released.

These are the songs you remember. This is the energy that made them matter. And this is how they were meant to be heard live.
